

Awnings are great if you require maximum protection and modern design with little maintenance.

# MAKING SHADE

**FETUNA Cassette Folding Arm Awnings** are perfect for overhead sun protection, minimising harmful UV rays and maximising heat reduction.

Developed in France and custom manufactured in New Zealand to withstand our harsh elements, the Fetuna Cassette awning combines maximum protection and modern design with minimal maintenance. The fabric skin and awning mechanisms are completely protected when retracted, ensuring a longer product life and superior functionality. Made with quality aluminium and stainless-steel components, the Fetuna Cassette is built to last and comes with a five-year warranty.

A wind or motion sensor can be added to retract the awning in windy conditions.

**Docril Fabric:** Designed and manufactured in Spain and known for its superb quality with an extensive colour palette. Docril offers an impressive selection of 132 vibrant colours to suit any décor and comes with a 10-year UV warranty.
